Dear Sir:

This will make of record a telephone conference on Wednesday, June 9, 2004, between the undersigned attorney and the Patent Examiner Jennine M. Brown and a telephone call to Supervisory Patent Examiner (SPE) Mark L. Bell.

This telephone conference concerns the Non Final Office Action dated April 21, 2004. The Patent Examiner Jennine M. Brown stated that a three month shortened statutory period for response which is set forth on the Office Action Summary page of this Office Action is correct. Therefore, the due date for reply would be JULY 21, 2004. SPE Mark Bell confirms that the one month shortened statutory period mentioned on page 5 of the

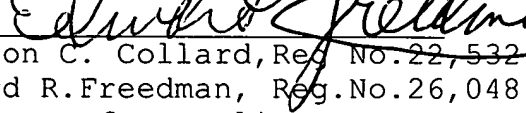

Office Action was to be disregarded, and that the three month shortened statutory period for response was to be followed.

Respectfully submitted,

DORIT WOLF ET AL
